WELCOME

Dear Community Members,

The goal of any school is to help its students achieve “super” results and to become “super” individuals who contribute to their communities. CHIME Charter School has excelled in this endeavor for well over a decade because of the dedicated efforts of our students, our staff, and especially our parents. The families who have chosen to send their children to CHIME have made a commitment to engage meaningfully and thoughtfully with their child’s education and the results that have come about for our children is nothing short of “super”!

By now you have guessed that this year’s Carnival theme is “Super School.” We chose this theme to highlight all of the wonderful things that our students, staff, and parents do throughout the year. We also are incorporating (through the generous support of a grant from State Farm) a health fair into our Carnival this year. As we all know it takes a healthy body, mind, and environment to be “super.” We hope that you will enjoy the exciting activities and entertainments of the Carnival and visit the many informative Health Fair booths.

As always, when you come to enjoy the day, remember that all members of the school community — from an army of families, teachers, and staff, to the students themselves — all have worked, planned, strategized, and rehearsed for the privilege of celebrating our “super” school community together. It is a monumental undertaking.

We want to take this opportunity to thank all the committee chairs, committee members, and the countless volunteers who organized, painted, designed, wrapped, and decorated to make this the best CHIME Carnival ever!

As you look through this catalogue of silent auction items, remember that this collection is the culmination of the willingness of community members to support our school through their generous donations. Funds raised at this carnival will ensure that our students continue to receive high quality instruction everyday of the school year. We are so grateful that you are coming to lend your support to this important cause, and that you continue to provide us with your support all year. Thank you for coming out to have fun, participating in the silent auction, and for your ongoing contributions to our growing school community!

Erin Studer, Executive Director

Jennifer Lockwood, Principal

WELCOME FROM OUR CARNIVAL CHAIRS

The CHIME Community Association (CCA) is thrilled to welcome you to our “Super School” Carnival and Health Fair! This year we’ve been making some healthy changes on campus, with our new Healthy Schools Program. As a result of this program, we are joining forces with our carnival to create our first ever Health Fair! We want our students to know that being healthy doesn’t mean depriving themselves, but rather is simply about making better choices. After all, we’re a Super School making Super Choices!

Thank you so much to the countless volunteers who have donated their time, talents and resources. Our carnival relies on the volunteering efforts of everyone in the community, and we couldn’t do it without you! Proceeds from this event go to funding art, music, support for technology, campus beautification, outdoor classroom supplies, sports equipment, library software, staff appreciation day and so much more!

Some things you can expect from our Super School Carnival:

GAMES! Test your super human strength with the classic carnival game “High Striker” or challenge your team spirit with a game of Human Foosball. Enjoy over a dozen game booths that will add a Kapow! Blam! To your carnival experience- most for only one ticket!

RIDES & ACTIVITIES! Be adventurous on our full sized ride, “The Sizzler”, enjoy views 25’ above campus on the Ferris Wheel, Take photos as a Superhero at the Green Screen Experience, enjoy face painting, crazy hair, soaking a teacher, or make some amazing crafts. There is something for everyone!

FOOD! CHOICES is our key word this year- so we have it all: Healthy and delicious Quinoa Crunch Wraps & more from Lyfe Kitchen, Fresh subs from Jersey Mike’s, Tacos and Quesadillas fresh off the grill from Los Altos, Pizza, Pinkberry Yogurt, hot dogs, popcorn, snow cones, cotton candy and don’t forget the tasty Cake Walk!

ENTERTAINMENT! We’re showing off the CHIME talent with dynamic grade level performances, a live music set from the wonderful Parent Vibe Band and music, dancing and fun with our amazing MC/DJ (and parent), Sean!

RAFFLES! A variety of exciting raffles will be happening throughout the day- from the 50/50 cash raffle (Winners can win hundreds of dollars in cash!) to chances to win an Instant Wine Cellar...all for the low cost of just a raffle ticket!

LIVE AUCTION! Participate or just watch our families out bid each other for some fabulous live auction items: Our talented students came together with the help of the Art teachers and the Carnival team and created unique and amazing Superhero Capes, along with other exciting auction items like tickets to Disneyland and Universal Studios- all in the name of raising money for our wonderful school!

SILENT AUCTION! The Silent Auction offers a huge variety of options- with opportunities to bid online and at the carnival!

We look forward to a special day shared by CHIME families and friends from the community. Thank you for being here and supporting our beloved CHIME!

Sincerely,

Jennifer Currier (Carnival Chair) & Melanie Stedman (Carnival Co-Chair)

MESSAGE FROM OUR SILENT AUCTION CHAIRS

WELCOME TO THE CALIFORNIA ADVENTURE CARNIVAL AND SILENT & ONLINE AUCTIONS!

What a wonderful day to be with family and friends at CHIME while supporting our school. This is our biggest fundraiser of the year, and the proceeds go to support our fantastic art, music, & library programs and more!

This auction was only possible because of the tireless efforts by so many people from the CHIME Community. Thanks to all who donated items or gave their time to pursue donations from all over the Los Angeles area. Thank you to all the parents and children who donated their creativity and time to help wrap baskets, mount certificates, and volunteered to work. Thanks to those who collected for family donations, organized checkout, for making signs and flyers etc, etc. THANK YOU!!!

We've divided the donations into color-coded categories to help streamline the shopping experience! Although some items could fall into more than one category, we hope that the grouping will make it easier to find exactly what you want. Whether that's an evening out for dinner, a stay-cation in Los Angeles, a travel vacation, lunch with your teacher, or just a relaxing day at the spa, we've got something for everyone! Shop gift certificates for dinners or haircuts, classes or camps, yoga or a personal trainer, and so much more.

Please come and enjoy the Online & Silent Auctions! This school community collected, donated and created hundreds of items. The following pages outline the available items and in which category you'll find them. Have a great time!

Sincerely,

Stacy Cameron, and Sarah Cook

SPECIAL THANKS:

We'd like to send a special thank you to Jennifer Currier for all of the hours of planning and hard work she put in to creating this great CHIME community event, to Diana and Shane Greene for taking on and making the Online Auction happen, to Erfan Marks for organizing the Family Baskets, to Jen Keresztes for her calm, patience and another beautiful Catalog, to all the kids that gave up well cooked meals and story time so their parents could work on the Auction, to Lauren Toubes and her team for spearheading the Instant Wine Cellar, to Paula Russell for her guidance and for fielding unending questions about all things Auction, and ALL past Auction Chairs and pros for the Auction Reference Binder, for their consultation, and advice.

Silent Auction Procedures & Tips

PROCEDURES & RULES

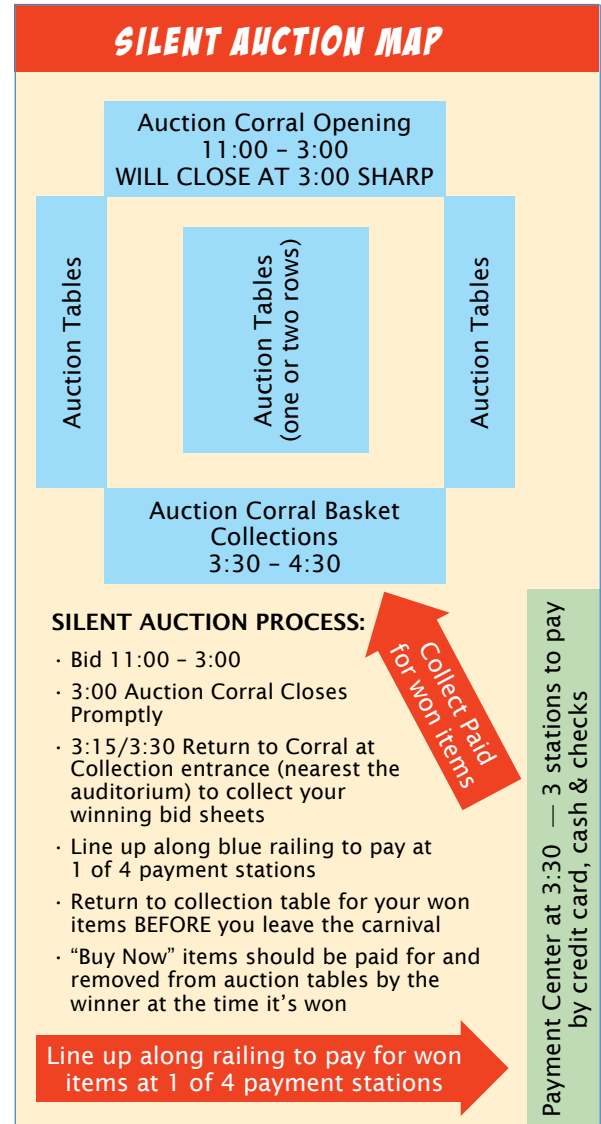

1. Bid on items by writing your name and phone number on bid sheets. Please be sure to start bidding at the listed minimum bid and increase bids by listed increments. If you increase your bid by less than the listed minimum raise, your bid will be deemed invalid.
2. Bidding for the auction ends at 3:00. There will be a bell/whistle at 3:00 signaling the end of the auction. Final bids must be placed and everyone must leave the bidding corral immediately.
3. Bidders will be invited back into the bidding corral AFTER white bid sheets have been collected. When you are invited back, you will walk through the bidding area to determine if you have won anything. If you are the last bidder on the yellow bid sheet (or green for select items), your name will be circled and you are the winner of that item.
4. If you are the winner, please remove the yellow sheet off the clipboard and hold onto it. When you have collected all of your yellow sheets (items you have won), please proceed to the appropriate line to pay.
5. Checks and cash are preferred; VISA, Mastercard, American Express, and Discover are also accepted forms of payment. Cash & check payments will be accepted at a table next to the finance office; credit card payments will be accepted at that table (please follow the signs!).
6. When you have paid, please give your yellow sheets stamped "PAID" to an Auction Runner (wearing a red bandana). They will collect ALL of your won items for you. PLEASE DO NOT REMOVE ANY ITEMS YOURSELF.

TIPS

- Bring this catalog with you to the auction, noting your items of interest.
- Double check the bid sheets at the auction for final contents of that item. The numbers and contents of the items are subject to change from this catalog!
- Read bid sheets carefully to note restrictions on items ie: Expiration dates, Blackout Dates, New Client Specification, etc.
- Consider group purchases: find other families that may want to share the cost and item you are bidding on.
- Share this catalog with your family, friends, neighbors and co-workers!
- Consider purchasing a basket where the contents can be used for separate gifts.
- Do you need a housewarming gift? Wedding gift? Birthday gifts? How about holiday gifts? A get well gift? Something for Mother's Day or Father's Day?
- Check out quicker by paying cash or check!

CAN'T WAIT TO WIN? KEEP YOUR EYE OUT FOR THE BUY NOW PRICE! Win the item by signing your name on the bottom line of the bid sheet agreeing to pay the "BUY NOW" price! Find an Auction Helper to Pay and take your won item.

IMPORTANT CHANGE: While you will win if you are the highest bidder, we recommend staying to collect your items at Auction Close. Due to auditorium access, item pick-up times after the carnival date will be limited or by appointment — please watch for pick-up date announcements.
