

CHIME Athletics Enrichment Program

The CHIME Athletics Enrichment program is a competitive afterschool sports program. We compete against neighboring schools, working on developing sports specific skills such as strategies, fitness and sportsmanship. This program is open to all students in grades 4th- 8th.

- Those who participate in the program must maintain the responsibility of being a **scholar, leader and athlete**.
- Practices and games are mandatory and it is important athletes show up **on time** with equipment on and ready to start. Emergencies and illnesses do arise; please make sure you contact the team's coach at least 24 hours in advance prior to a practice or game.
- **Participants need to maintain an average GPA of 2.0 or higher with no F's or U's to be eligible to play in games and practices with the team.** If this GPA is not maintained, it can result in removal from the team activities. Grade checks will be collected weekly by the Coach.
- Please fill out **all** attached forms and return to **Main Office**. Make sure you **circle** which sport you wish to participate in.
- Signing your name at the bottom of the registration form means you have read and understood the expectations for the program. Both parent and athlete **must** sign form.
- Communication throughout the season will be through your team's **ParentSquare page**. Please make sure you are registered with **ParentSquare.com**. Schedules and volunteer requests will be through ParentSquare. So it is important to submit forms ASAP in order for you to receive important information from your coach.
- Registering for a team must be completed before the registration deadline of each season. No applicants will be accepted after the deadline. Deadline will be posted on website and posted in the Main Office.

General information will be posted on the Athletics page on the CHIME Institute website. (www.chimeinstitute.org). A schedule of games will be listed and a weekly update of practice and games will be on the Team's ParentSquare page. Even if you are not sure if you can participate but are interested fill out a form and turn it in before the deadline.

Unsportsmanlike conduct will **NOT** be tolerated by coaches, parents or athletes and can result in loss of privileges in participating in the program.

Athletics Website:

Can be accessed through the CHIME Institute's website. www.chimeinstitute.org

For any questions or concerns please contact Coach Simms or Coach Browner.

Expectations for Transportation and Supervision by Families on School-Sponsored Sporting Events

Number of seats available in vehicle besides driver: _____

Parent Driver Rules

- Copy of **current** driver's license and liability insurance forms must be attached to this form turned in to Directors.
- Each student must have their own seat belt.
- Children (12 and under) cannot sit in the front seat.
- If families provide a car seat or booster seat, they must be used by parent drivers.
- There will be no deviation from the original destination.
- There will be no unplanned stopping for gas, beverages, food etc. Please inform teachers of any mechanical trouble by cell phone immediately.
- Due to food allergies and issues of equity, parents may not buy additional food items for their group of students.
- Students must be actively supervised at all times.
- If a student may require emergency medication, parent volunteers will carry the medication at any time the student is in their care, and will receive specific instruction regarding medications from teachers.

Please do not use cell phones during the sports event except in an emergency. Cell phones must *never* be used while driving – it is against the law.

Please provide a copy of your current driver's license and insurance to the athletic directors. If you need a copy made, please see the office.

By signing below I certify that I have automobile liability insurance which covers the driver and all passengers in the automobile and I have ascertained that my policy will cover me and all passengers riding in the automobile in connection with the attached school activity. By signing below also confirms that I am agreeing with the rules listed above.
