

Imagine a world where all children are equally valued, a world where each child is seen as a gift.

2015 CHIME Carnival & Auction

January 5, 2015

To Whom It May Concern:

The purpose of this letter is to request support from all over the City of Los Angeles in Woodland Hills. CHIME serves a fully inclusive setting in which children and who have special needs are all embraced.

Many families elect to travel a significant distance to attend CHIME because they embrace a unique school, because they embrace a school where all children are regarded as special, each offering their own gifts. CHIME is an independent charter school where admission is determined by lottery. The student body is diverse in socioeconomic levels, ethnicities and languages.

The success of our school can be attributed to the collaboration of our outstanding parents, staff and community. Education at California State University, Northridge and the importance of supporting our students. We are committed highly qualified professional staff and dedicated families.

Our Annual Carnival is one of our biggest fundraisers. People from all over Los Angeles and the surrounding area. Funds raised will go toward important programs such as education, classroom materials, school supplies and our education program.

Would you consider helping our school with a donation to our Carnival on May 16, 2015, or in our school? We would be grateful and honored to accept your donation. We are willing to offer. Please contact Stacy for more information. We have any questions regarding donations, please contact Stacy by January 15, 2015.

On behalf of the children, staff and community, we thank you for your consideration and for your support.
