Hello CHIME Supporter:

At the CHIME Institute early education programs and charter school, all children are equally valued and celebrated. But to keep our programs strong, we need your help! **We are kindly asking you to support us with a donation and/or sponsorship for CHIME's Gala at the CBS Studio Center on October 8, 2016.**

The CHIME Institute provides nationally acclaimed and research-based fully inclusive educational programs for children from birth to 14. Children who are gifted and talented, typical learners, and those who have disabilities learn in the same classrooms and environments. All children are provided the support they need to achieve their maximum potential while learning to value each other in a diverse social and academic environment. The Institute disseminates best educational practices that are utilized by educators around the world. Every year, the CHIME Institute serves more than 800 children from over 40 zip codes in the Los Angeles area!

Proceeds from this annual event enable us to provide necessary educational resources for the children we serve. Earnings will help us to **"Fill the Gap"** between the money we receive from the government to operate the programs and what it actually costs to educate a child.

This year's gala promises to be our most successful (and fun!) fundraiser, with very important guests—including prominent family members, university faculty and students, and community supporters—expected to attend. We depend on contributions from generous donors like you. Your company name will be recognized at the event and disseminated to our loyal and supportive families. Please consider the sponsorship opportunities attached.

Contact me or any of our parent volunteers who may have delivered this sponsorship request to your business with any questions you may have. Should you wish to purchase tickets to the event please go to www.chimeinstitute.org.

On behalf of the children, families, and staff, thank you for your consideration of our request! Our success depends on your generosity.

Warm regards,

Annie Cox
