

February 8, 2010

Welcome:

We raised \$21,000 for the Walk-n-roll so far. Still open online and we won't turn away donations.

Chuck E Cheese raised \$300

Party Book so far has earned \$750

Q: Where does the money go?

When we raise money through the year, a lot is already accounted for like music, library and art. Whatever we have left over, we propose something to do with the money and then we vote to see where it should go.

Taboo, tacos and tequila party is coming up on Saturday March 4th and a family yoga event which is March 26th.

We are going to do one more HQ event. Saturday, May 13th. 5-7pm.

Administrative Update:

Mrs. Jamison: This Saturday is a middle school open house at 10AM. February 18th is the elementary open house. February 17th 1:30-3:30pm we are planning a Corbin Bowl fundraiser. It will be \$10 a student including shoes and we get 50% back. Middle school dance is on February 24th. CHIMEpalooza is on February 25th. Phase 1 of the CHIME legacy wall is finished. I have fliers if you'd still like to purchase. It's RAK month so we are celebrating every day with a kindness activity. Applications for CHIME lottery are due March 3rd. March 10th is the actual lottery. In n' Out fundraiser raised \$1900. We will use this money to rent a tent and chairs for the 5th and 8th grade graduations. Middle school field trip to the Museum of Tolerance on 3 separate days for each grade is coming up-- February 28th, March 8th and March 16th. Working on kindness through March too.

Concern about parking. Pick up line is getting out of control now as well.
Mrs. Jamison: I'll talk about sending out a flier again.

Walk & Roll-a-thon & Middle School 5k:

Walk n roll went smooth and kids had fun so we will continue that trend next year of separating middle school

Middle School 5K was last Saturday -- our first 5k at Canoga Park High School. Everyone had to run 12 laps to run 3 miles. We had elementary and middle school families. Raised about \$1500.

We are looking into Pierce's trail run for next year. Middle school made \$800 last year as part of Walk & Roll-a-thon so keeping it separate and getting prizes helped.

Part of the money is going to some sort of equipment for middle school PE.

CHIMEapalooza update:

It's on February 25th. The website talks about previous shows and you can buy tickets there. John Ross Bowie and Cedric Yarbrough will be there as well as Colin Ferrell, Ruby Friedman and her orchestra. Fun videos will be there, food, drink and alcohol all for \$60 a ticket. It will go up to \$75. We are looking for volunteers for the night. You still have to buy a ticket. Please send Kara an email ASAP if you can do that. We need someone who can help with the technology there. Setting up projectors and sound systems. Compile all projection elements onto their laptop and come the night before to set up projector and make sure everything is working. Work with lighting tech to set up projector and make sure it's properly aligned, etc. and be there during show following cues from the stage manager. We also need a bassist who is not afraid to improvise. Rock n' roll warm up set and 3 songs during the show. We are also selling spiritwear for CHIMEapalooza and deadline is extended to noon tomorrow.

Q: Tribute book cut off?

A: Email Carmela because I think the program has to be finalized a week before the show.

Spring Auction Update:

We need donations. Great products we got last year may not happen again this year. It's a 50/50 chance. Letters are in the office for donations. Family baskets are needed. You'll see a sign up genius about which category you want to sign up for.

Maybe each teacher needs to send out an email or a robo call. Maybe the kids can be involved to make each basket.

Family baskets alone made 5k for the school.

Flier for carnival should go out with new CHIME student registration packets. We could buy SCRIPP to add to the baskets.

Subscription companies really gave me a lot. Most of the action has to happen the last two weeks. Online portion of the auction will happen the week before.

The kids should make the signs.

Spiritwear basket? Science Basket? Yoga Basket?

Last year we made \$38,000

We can do \$10,000 more this year.

Financial Update:

In the account as of Jan 31, is \$40,750.31. We have \$26,500 in allocations so that leaves us \$14,000. \$8,000 is going to tent rental. All rentals and rides for carnival are paid for in full. Family night was \$157.38 for BJS. Amazon was about \$57 and SCRIPP/Presto Pay we got \$2.75. Art cards we got the last bit of it-\$87.68. Only \$382 has come in so far for the parties because we hold it until the party to make sure there aren't cancellations.

Open Forum:

Kinder/TK bake sale tomorrow

Are there any big items that we need for the school?

Depends on what kind of money we have left over after allocations.

Maybe shade or landscaping?

Where do I bring up my concerns about after school program?

Talk to Mr. Mario or administration.

Homework concerns about after school club and consistency with payments.

Next meeting is March 8th at 8:30am at the lunch tables.
