

CCA Meeting, CHIME Charter School 11/15/17

Party Book: Wonder movie is sold out

Carnival Date Change: We are changing the date to Sunday March 18th. We are going to see if Sunday brings in bigger crowds. Anyone who has volunteered to help, Jen Currier will be reaching out soon.

We also need positions filled for the auction.

Administrative Update: Conferences went well. Annual fund is happening so look out for the volunteer collecting. This is how we keep classroom sizes low and have the best programs. There are incentives. Each classroom is also having a contest to see who can get the most participants. Book fair and holiday shows are coming up. There are Thanksgiving and winter camps coming up.

Shade: A test shade has been purchased and we are acquiring the footings for that.

High School: A draft proposal of a timeline was submitted to the board last month for review. It covers now to potential launch. We have initial budget information that we'll be submitting in advance of the November 28th meeting. We did get some grants and philanthropy to help. The proposal to start the program aims for 2019.

The kiln latch needed to be fixed and it's just been done.

Financials: CPK - \$856 Chuck E. Cheese - \$179 Chipotle - \$289 Party Book - Wonder - \$1209 with more coming in.

The Stand fundraiser is coming up on December 4th

Vending Machine is being repaired and will be finished after the break.

Bake Sale is happening during performances. We need volunteers for the 3 days.

CHIME Pop Up Fundraiser with CHIME Cheetah made \$500.

Suzon: We were thinking of doing a charm bracelet to represent CHIME as a fundraiser.

Open Forum:

Carina: I'd like info to see if we can find cheaper vendors to help get the budget down for the carnival.
